

# The Howard Crew

## Green Cheese

# PRIZES

Introduced in honour of Howard Crew, General Secretary of BUNAC for 25 years, the *Green Cheese Awards* consist of the *Green Cheese Scholarships* and the *Green Cheese Prizes* and are awarded on a competitive basis. The unique nature of the awards reflects the personality and sense of humour of Howard Crew.

For the *Green Cheese Prizes*, amounts totalling £1000 are awarded annually for the best, original accounts of a BUNAC programme experience. You can submit your account in any medium, or combination of media that you like. Entrants are limited to one submission in any chosen medium, e.g., one written entry and one in photography, but **must** submit a separate form with each entry. Entries will be judged on the basis of originality, presentation and use of humour. Additional entry forms are available on request from the BUNAC London office or can be downloaded at [www.bunac.org](http://www.bunac.org). Sorry, but entries will not be accepted from previous *Green Cheese Prize* winners.

The closing date for applications is **20th November, 2009**. No entries will be accepted beyond this date. The winners will be announced at BUNAC's Annual General Meeting to be held in London in December. The decision of the judging committee is final and no correspondence will be entered into regarding the competition results. The judging panel will base their decisions on the overall quality of presentation and originality of the entry. Humour should play an important part in the entry. Submissions which have previously been published elsewhere, including on the internet, will not be accepted. Reproduced e-mail accounts are also not acceptable.

Please send your entry, along with this completed form to:  
 BUNAC, Green Cheese Prizes, 16 Bowling Green Lane, London EC1R 0QH
